

Whether you have a fleet of one or one hundred, Bell's Fleet Fueling Station provides 24/7-365 availability. Located at the corner of Devon and Ellis in Bensenville, IL, this fueling station is engineered for convenience and speed.

To access this location, Bell Fuels provides the Bell Fuels Fleet Card; a proprietary fuel card designed to protect your company against unauthorized fuel purchases.

The card provides comprehensive weekly reporting that tracks every fuel purchase during a weeks time period. Reports provide simple accountability, security against misuse, and help measure vehicle performance by tracking miles per gallon.

The Bell Fuels Fleet Card is the best, most efficient way to capture and track vehicle and driver activity, while gaining access to Bell's competitive edge on fuel prices.

The Fleet Card features:

- Competitive pricing
- No card fees
- Weekly transaction report
- Product controls
- Gallonage controls
- Driver pin number
- Odometer validation
- Vehicle description
- Data on fueling transaction

The Fleet Fueling Station features:

- Speedy time saving fueling

• Speedy time saving fueling

- High volume dispensers - 45GPM
- Satellite dispensers
- Dual tank fueling
- Wide fueling lanes
- Premium D-2 diesel fuel
- 87 Octane gasoline
- 24/7 - 365 days a year access
